

Registration begins for Parks and Recreation summer camps

Sarasota County Parks and Recreation is now accepting registration for summer camps. Summer camp programs are offered over 11 weeks for children entering grades 1 through 9. Program and registration information is available online at www.parksonline.scgov.net or in the 2012 Summer Camp Guide online at www.scgov.net/parksandrecreation, or at any Sarasota County recreation center, library or county building.

Traditional Day Camp will occur June 11-July 6 and July 9-Aug. 3. Children entering grades 1 through 5 will enjoy three field trips every week and on-site activities. Children can attend from as early as 7:30 a.m. to as late as 5:45 p.m.

Adventure Camp will be held June 11-July 6 and July 9-Aug. 3. Children entering grades 6 through 9 will enjoy challenging activities at Colonial Oaks Park in Sarasota and four weekly field trips.

More than 25 Specialty Camps are scheduled throughout the summer and allow the opportunity to focus on a favorite activity or try something different. New Specialty Camps offered this year include Beach Volleyball Camp, Bricks 4 Kidz Camp, Fishing Camp, Sand Sculpture Camp, Skateboard Camp and Surf and Paddle Camp.

Therapeutic Camp for special-needs children is again offered at Oak Park School and runs from June 11-Aug. 3 in conjunction with the summer school schedule.

Volunteer opportunities are available for youths entering grade 10 or higher to complete service hours needed for school, while assisting counselors and enjoying camp activities.

Financial assistance is available to qualifying Sarasota County residents. All summer camp staff members are fully screened, including an FBI fingerprint and background check.

Register for camp programs at www.parksonline.scgov.net.

For more information, call the camp office at 941-861-9870, pick up a summer camp booklet at any recreation center, library or government building, or visit www.scgov.net/parksandrecreation.

May 'Thumbprint' Flowers

- Using different color of paints (your choice)
- Green crayon or marker
- White Paper

Press thumb or pointer finger into paint. Then press onto paper. Take your crayon or marker to draw stems to create flower.

You can create leaves using finger prints with green paint. Or draw and color your leaves.

Use more than one finger to create a flower.

Be creative!
