Open burning prohibited in Sarasota County with few exceptions

Enjoy the cool temperatures and fall season, but remember the Sarasota Code of Ordinances prohibits open burning in Sarasota County with few exceptions. Those exceptions include:

- Open fires for cooking food for human consumption, provided the fire is properly contained, and is not used to burn yard waste, house refuse, garbage, recyclable materials or commercial debris.
- Fires by established organizations for recreational or ceremonial purposes, such as functions for Girl or Boy Scout Troops, church groups, organized youth groups, or similar activities. Allow at least two workdays before the event for notification so inspectors can visit the site. Calling Friday afternoon for a weekend event is not enough time for an inspection.

For additional information on open burning, contact the Sarasota County Fire Prevention office at 941-861-2290.
