

**Decorate your home and save money with Sarasota County's LED light exchange**

The holidays are right around the corner and Sarasota County wants to help residents enjoy a safer and more energy-efficient holiday season by introducing them to the energy-saving benefits of light emitting diode (LED) holiday lights. For a limited time, residents can exchange their old incandescent holiday lights for new ENERGY STAR LED lights at no cost.

County residents can bring in up to two strands of their old incandescent holiday lights to exchange for an equivalent number of energy-efficient LED lights at any one of four locations on specific dates. There is a limit of two LED light strands per household. White and multicolored light strings with 70 bulbs each will be available, while supplies last.

"We are excited to help residents save money while celebrating the holidays this year," said Lee Hayes Byron, Sarasota County's Sustainability Manager. "By taking advantage of the latest technologies, residents can decorate their homes with LED lights that save up to 90% on holiday lighting costs, are cool to the touch, shine brighter, last up to 10 times longer and reduce the risk of fire."

Sarasota County's ENERGY STAR LED holiday light exchanges will take place Nov. 18 through Dec. 2 at select county fire stations. Information on fire prevention and home energy efficiency improvements also will be available at the events. The exchange can be made at the following Sarasota County fire stations:

Sunday, Nov. 18: 3--5 p.m.  
Fire Station # 23 - 1930 N. Tamiami Trail, Nokomis

Saturday Dec. 1: 3-5 p.m.  
Fire Station # 21 - 721 Center Road, Venice

Saturday, Dec. 1: 10 a.m.-noon  
Fire Station # 4 - 3530 Old Bradenton Road, Sarasota

Sunday, Dec. 2 - 3 to 5 p.m.  
Fire Station # 8 - 6750 Bee Ridge Road, Sarasota

Sarasota County is providing this service to residents, thanks to energy education funding through the American Recovery and Reinvestment Act (ARRA) Energy Efficiency and Conservation Block Grant Program, U.S. Department of Energy. ## Holiday Party

Our annual Neighborhood Winter Holiday Party will be on December 4<sup>th</sup>, from 6:30 to 8:30 at Colonial Oaks Park, Room A.

The party is open to all residents of the Colonial Gables. You do not have to be a member of the association to attend the party.

Join us for fun and food. Start the holiday season off with peace and good will by coming and sharing the evening with friends and neighbors. We ask that each family attending to bring a covered dish (casseroles, meatballs, chicken, chili, scalloped potatoes, vegetables, salad, etc.) or a dessert (cake, pie, brownies, cookies, etc.) to share at the "Pot Luck Dinner".

The Association will provide some food, drinks, plates, eating utensils, cups and napkins. If you have any questions, call Carol Daniels at 371-3275.

### Little Hands and Feet Turkey

**What You'll Need:** trashbags or newspaper, paint and construction paper

**How to Do It:** Put down trash bags or newspaper to protect your floors. Pour paint into a dish and take turns lightly stepping in the paint. Painted footprints will make the turkey's body, legs and wings. Try using different colors! Lightly press hands into the paint to make the turkey's feathers. And then quick, wipe down with an old washcloth before your little turkeys get loose!
